Those rights include "rights to be" in personam" e.g Pro Per./  
Pro Se. I have the right to refuse any counsel or attorney i.e.  
officer of the Court. Your acting out of your scope of office when  
you are denying me my rights, in which you can/will be personally  
held accountable for. That's, Fraud/Conspiracy. How else am I  
going to express/Defend myself or Defendant if I'm not being able  
to. "You cannot have your cake and eat it too" SMH To the  
CHIEF JUDGE, what are you Defending, Standing for if your denying  
people their rights in personam. (This Court lacks Personal Subject-matter

• You will not find in the United State Code sec. Any jurisdiction or venue, There is no code, rule, Regulation Law, Congressional Act, that Authorizes "THE UNITED STATES DISTRICT COURT/U.S. DISTRICT COURT"

Black's law 5<sup>th</sup> Pocket E.D. Pg. 824

• Improper venue (1751) "A Place or Court where jurisdiction is not authorized under statute or by agreement of the parties."

• This court is without jurisdiction to issue any judgement etc... Everything is null and void ab initio. (corum non iudice)

• Release me immediately, Every actor/Foreign Agent is liable for Civil Suit. Whether in a federal court 28 USC. > Part II > chpt. 87 > § 1391 or in an Federal Court of claims.

• Proper venue and jurisdiction is located in "title 26" App > title II, (Venue & Jurisdiction) THE COURT > RULE 10. (Jurisdiction) > Title 26 > Subtitle F > chpt. 78 > subchpt. A > § 7604 (Enforcement of summons) (a) jurisdiction of district court "the United States district court".

\*My Personal rights are being Infringe\* Rights In Personam ~~Per~~<sup>9th</sup> Amendment

This court and its officers are engaged in fraud and Conspiracy. Luckily President Biden signed into law the new stock disclosure bill. May 13, 2022 "Judicial Ethics law on stock disclosure" for you Federal judges/Attorneys that participate in those type of for profit games.

The court lacks Jurisdiction from the beginning to even issue any orders, judgments etc... You or the Prosecution cannot show me where I'm wrong at etc... "Prove that I'm wrong and you to have jurisdiction". How, why can a CHIEF judge be letting this go on for so long is beyond me. But Justice will soon avail. Over there hooting and howling at me like you have jurisdiction too, how dare you, despite all the proof I've shown/presented.

You need to do the right thing. God is commending you, to finish off the right way, right path. Everyone has a soul/spirit. It shouldn't be hard to let one go whom has proven his innocence. This is not a threat, intimidation factor etc... Just plain straight facts, this court has no jurisdiction to be doing what it's doing especially to one who knows it doesn't have jurisdiction. Dred Scott v. Sandford landmark case has never been overturned. Whether you attempt to put an standby Attorney on board doesn't matter if the case was void from the beginning. "A court cannot confer jurisdiction where none existed", cannot make a void proceeding valid". Ob. Wayne 114. v. McDonough, 204 U.S. 8, 27 S. Ct. 236. There is no venue/jurisdiction in the USC for this court or any court of this nature. These IRS Attorneys proper venue/jurisdiction is clearly shown in their "Title 26" Section. "In the Interest of Justice" let me live my life in peace. Thank-You for your time. : ~~Alison C. Smith~~ <sup>Alison C. Smith</sup> ~~Bea~~
